

high value homeowners

Verdant Underwriting Managers is a specialty underwriter of affluent and high value homes across the United States, providing extensive coverage, professional, tailored loss adjustment and risk management.

specialty expertise

Verdant is a managing general underwriter based in London and New York serving brokers and agents in the wholesale US marketplace. The Verdant team specializes in providing flexible underwriting solutions for large homes in hard-to-place areas across the United States. Verdant considers all types of occupancy, from owner-occupied primary homes to properties under construction, with a focus on single family dwellings and condominiums. Verdant offers solutions for owners and occupants, including individuals, trusts and corporations.
